Haller, Hannum Win Legion Awards

Dunham, Skelly in Close Race For A.S.B. Presidential Honors

Breaking all records, amazing the entire student body, and claiming the distinction of being the first girl ever to run for the office of student body president, charming Jerry Dunham found herself opposing popular Bill Skelly in the final runoff, which was held this morning, second period.

A run-off between Gordon Hogg, and Margaret Dunn for the vice-presidency was held at the same time, because of the slim margin of merely thirty votes difference in the primaries.

Bessie Lillie is the newly-elected treasurer and Mildred Dempsey was unanimously and automatically elected secretary.

Results of the runoff between Tommy Hill and Donna Vine for ninth grade justice, and Barbara Treiman and Bill Kier for 11th grade justice will be announced next week. Bobbie Sheetz is the 10th grade justice, by virtue of being the only candidate. Marion Lurker and Lorraine Woolver are the new twelfth grade justices, and after a very close fight, Lillian Pike was elected the new chief justice.

Candidates Presented —

Potential student body officers for next semester, were presented to the student body, at a double assembly, Tuesday, January 6. The campaign managers were introduced by the present student body officers, who in turn, nominated their candidates.

Primary elections were held Wednesday, January 7. The balloting to name the final officers, was done in homerooms, yesterday. The complete list of student body officers will appear in the Federalist, next week.

Right in there giving their all as candidates for student body president were: Lorne Carlson, Tom Nicoloff, Bill Skelly, Frank Foellmer, Arthur Kerbrat, and the only girl participant, Jerrie Dunham.

Gordon Hogg, Margaret Dunn, and Frances Jennings were contesting for the vice-presidency.

Unanimously Elected —

The one and only victorious candidate is Mildred Dempsey.

Bessie Lillie and Jane Guy ran a close contest for student body treasurer.

The chief justice office was a race between candidates Frances Stronks and Lillian Pike.

Those running for twelfth grade Justice were Lorraine Woolver, Marian Lurker, and Irwin Gingold.

Eleventh grade justice was sought by Doris Pichmen, Barbara Trieman and Bill Care.

Tenth grade Justice will be Bobbie Sheetz.

Candidates for the ninth grade Justice were Donna Vine, Tommy Hill, and Murray Cooper.

Hamilton Host to P.-T.A. Members Of Tenth District

Tenth District representatives of the Parent-Teacher Association visited Hamilton yesterday and held their monthly conference in the auditorium. The attendees included women representing the P.-T.A. from the surrounding city schools. Their number totaled 1200 visiting members.

Presiding over the meeting was Mrs. Edwin Strong, president of the Tenth district.

After the business meeting, an interesting and enjoyable program was presented by a number of Hamilton students. Mrs. Fangerow, representative from Eagle Rock P.-T.A., was in charge of the program.

RAYLEEN HALLER

Paper Drive Funds For Defense Bonds

After two postponements, the much-talked about paper drive sponsored by the Squires, has again been postponed temporarily. It will, however, be held before the term ends.

Money realized will be put into United States bonds until such time as it can be expended for permanent bleachers on the athletic field, something towards which Hamilton has striven for many semesters.

Contrary to popular belief, the drive will be a contest between the grades, i.e. ninth against tenth, etc., and not between the homerooms as publicized. There will be no separate prize for the winning grade, for the whole school will benefit from the combined effort of all.

Those who have a transportation problem need worry no longer for the members of the service clubs owning cars have volunteered to cruise the neighborhood picking up papers where instructed.

If the drive is run properly it should net a huge sum. Everyone is urged to cooperate and scout the area around his house for papers to help put it over.

One more word. Newspapers are not the only thing to bring. Magazines and coat hangers are equally welcome.

Barker Leads Boys

The Boys' League assembly, to introduce the candidates for Boys' League offices, was called off this semester since there is only one contestant for each office.

Norman Barker, B-12 staff sergeant of the R.O.T.C., member of the Sabre and Chevron club, and also a member of the orchestra, is the candidate for the office of Boys' League president. The office of vice-president is being sought by Harry Sherman, B-12, who works in the business office. Secretary of the Boys' League will be Dale Igo, A-11, 2nd. Lieut. of the R.O.T.C., and member of the Sabre and Chevron club. Kenneth Reed, B-12, 2nd. Lieut. of the R.O.T.C. and secretary of the Sabre and Chevron club will be the treasurer.

Certificates Given to Pat Hay, Bill Carroll, June Anderson, D. Peterson

Chosen from a list of twenty pupils, nominated by the Senior Aye homerooms and the faculty, the American Legion School Awards committee has selected Rayleen Haller and Alex Hannum as the two final winners of the semi-annual American Legion Award for members of the graduating class. Both of these pupils will receive medals and certificates.

In addition, the four students who will receive certificates are Bill Carroll, June Anderson, Dean Peterson and Pat Hay.

Selected because of their qualities of leadership, scholarship, service and character, these final winners have served their school and community in many ways throughout their entire high school career.

Rayleen Haller has always been active in Girls' League activities, holding various offices. She has served on many Senior Aye and Senior Bee committees, and is an A-12 senior officer. As an Alpha D, she heads the Hospitality committee and was an officer in the French club at Hamilton.

Rayleen is a language major and has made nothing but A's throughout high school. She hopes to attend the University of California at Berkeley and take up psychology. Outside of school she has always been interested in Girl Scout work and holds a position as a state officer, going to camp each summer as counselor.

Alex Hannum, captain of the basketball team this year, has served his school in many ways, but particularly in the capacity of student body president. He is a Hi-Y man and a letterman and has been especially active in the House of Representatives and the Senate. He has an unusual ability for getting along with people and is known for his impartiality in assigning duties and also for the way in which he does his job in the manner that will be best for the student body, as a whole.

An example of the many fine ideas he has initiated, as prey, is the way in which the service clubs have been organized. Alex has also represented Hamilton at many outside functions in the community.

Rayleen, Alex, and the other winners, will be presented to the American Legion Community Post

(Continued on Page Four)

Club Sponsors 2nd 'Click Week'

"A Click here"; "A Click there," "A Click everywhere!" This was Hamilton's slogan recently when "Click Week," sponsored by the Philathian Society, took the school by storm. Students of Hamilton were given a chance to display their talent in taking snapshots.

Last semester Click Day, which was sponsored by the Philathians, met with success. However, in order to enlarge the wishes of the students for more time, the "Droops" decided on a Click Week. So, for one whole week all the camera fiends had a chance to snap pictures of everyone and everything on the campus.

After careful deliberation upon the photos submitted, Kay Matice's snapshot was declared winner of the contest. The photo is an excellent one, rather comic, of two students, one a boy asking a girl to have a soda with him. The expression on their faces is especially noticeable as very natural-looking. Kay will be awarded a FREE S'42 annual Treasury.

ALEX HANNUM

Photos Win Honors

Two signal honors were attained almost simultaneously by Hamilton photography students before Christmas with the winning of the Kalart contest prize and for Roger Wood, the honor of having a picture hang at the Camera Pictorialist Salon in Los Angeles.

The honor won by Roger Woods is considered one of the greatest a photographer in the United States or abroad can receive. At present this salon is the most important photographic exhibition in the world.

Thousands of prints are submitted annually from nearly every European country as well as the United States, but about only 200 are selected for exhibition.

The Kalart Manufacturing Company of photography materials invited Hollywood, Los Angeles, and Hamilton to compete in a photography contest. Each school submitted six pictures. Both first and second prizes were taken by Hamilton.

The first prize, a flash gun worth about \$15, was won by Lawrence Stern for his humorous picture, "Cuandry," and the second was won by Roger Woods for his portrait, "Wilda."

Change Prom Plans

Proving themselves capable of carrying on in any emergency the Sr. Bee class has changed the traditional evening prom to the afternoon. This idea, new to Hamilton, assumes the form of a cabaret style club, called the Club 42. The opening date of the club was scheduled for Jan. 9 but was recently changed to Jan. 23.

The club will offer entertainment consisting of an all-star floor show with outside talent. At 3 o'clock the music of Ron Bucks and his orchestra will provide for dancing until 6 o'clock.

Setting and decorations of palm branches, leis and Hawaiian souvenirs will be among the outstanding features of the Club 42.

Flowers will be given to all girls and refreshments served during the afternoon. A large attendance is expected.

The prom committee, consisting of Dorothy Hagar, Kenny Stout, Lee Quarterman, Evelyn Person, Shirlee Garman, Barbara Baker, Dorothy Collier, Leona Klinck, Felcia Layana, and Lorraine Wool-

(Continued on Page Four)

Yankees Fight To Beat Hollywood Jinx

Bee Casabamen Face Hollywood

Tonight the Yankee lightweights play the Hollywood Bee team in a game that may decide the W. L. championship. At the present time Hamilton is in the lead with a one-game lead over Hollywood. In the first round the Yanks defeated the Sheiks but the Hollywood team has shown tremendous improvement. In the last week of the first round the Sheiks ran up a high score over the Fairfax Bees while Hamilton eked out a one-point victory over Fairfax.

Last year in league competition the Yankees were in first place without a loss at the beginning of the second round and then proceeded to lose three in a row. Hamiltonians hope history doesn't repeat itself.

Jack Isaacs and Wayne Scott are the Hollywood forwards and they leave little to be desired. Jay Montgomery is the highscoring spark-plug and plays center. Guards Chester Cooper and Jim McDonald round out the Hollywood five.

Leading the attack for the Yankee will be Roger Abt. Abt has been high up among the scores in every game. George Woodhall also has shown great possibilities. Powerful Milton Gramm usually plays a steady well-balanced game along with Don Whitman and a few more players.

CO-FED

By ORLEAN GEISSLER

The Tea's Coming—
The semi-annual G.A.A. tea is going to be held on January 21. Every year the Girls' Athletic Association sponsors two affairs, a banquet in the summer for the Dads and a tea in the winter for the Mothers. This semester it will be a tea and all girls who are to receive stars or letters will receive them at this time. Marion Lurker, recording secretary, who is at present check-up on all the credits, will be glad to help any of the girls

Orlean Geissler who are confused about their letters or the number of stars they should receive.

The theme for this year's tea will be taken from Spanish surroundings. Joy Probst and Mildred Dempsey are in charge of the entertainment. The tea will last from three to five in the afternoon. Also the mothers and daughters will serve and trade-off at intervals. Each girl who is planning to attend must pay ten cents to cover the cost of decorations and refreshments.

Playday—
Because of various reasons relating to the war emergency, the Venice Playday, to which Hamilton's G.A.A. was invited, was called off indefinitely. Even though many of the girls were disappointed, we hope in the near future to be able to have another one.

Ain't It Fun?—
With the suggestion of several girls in Senior G.A.A. a new idea sprung up recently in the past few weeks. Since the boys had finished football practice out on the large field, it was suggested that the girls should be able to play out on it now, before baseball practice commences. Well, it was o.k'd and so far, from the girls' reactions, they enjoy it a great deal. An impromptu team, captained by "Kelly" was formed the other night and up to now has won practically every game.

Yankee Trackmen Look to Spikes

With the coming of spring this year, Hamilton coaches, Bernie Donahue and Howie Roberts, face one of the most inexperienced track squads assembled in the history of Yankeeville. Graced with but sixteen lettermen returning from last year in all three divisions, Aye, Bee, and Cee, at first glance there seems little hope for success. Furthermore, but one of these sixteen competed in the Varsity division.

This lone man, Jack Vilm, ran the 440 last year, and is expected to run the 440 or half mile this year. However, coming up from the Bees are some ten lettermen who turned out one of the Western League's best teams. Pat Sullivan turned in fine performances in all his meets last year and in varsity competition should do even better. Six-footer Cleve Carlson topped his height several times then and can repeat.

Bill Skelley set a new 1320 record last year for Hamilton and as a miler or half-miler, should easily repeat. Bob Winship in the hurdles, Allen Snyder in the hurdles or sprints, Bob Amato in the shot-put, Bob Herman in the high jump, and Bill Birch in distance, should hold Yankee standards high in the varsity division.

Track men may work out in gym periods as much as they care to, but there are no tracksters allowed on the field after school. According to Coach I. C. Stearns, this is a very important ruling and must be complied with.

Hearts of Oak

By JOHN MOHR

Today's basketball game will be the first of the next four the Yank Varsity will have to win if they hope to take the Western League for the second straight season. Hol-

has never beaten Hollywood in lywood nosed the Bankers out in the first round of the league by 34 to 29. The Hollywood boys are out to take this encounter as much as the Yankees, because they have Homecoming today. Hamilton varsity basketball, and if they can hand the Sheiks a mickie it will be worth waiting all these years for a Hamilton victory.

If the Yankee casaba boys don't win, they can kiss the champion-

EMBLEMS FOR ATHLETES

The Hamilton Lettermen's Club now has emblems to wear on their lettermen's sweaters. Before this there was no way to distinguish the club members from other letter winners.

These emblems will also be used as badges for the lettermen in their duties in the Defense program here at Hamilton.

Service Club on Top of Club Heap

A fighting, scratching, biting, victorious, outstanding, undefeated, untied, scored-upon, (boy, what a team), SERVICE CLUB quintet managed to outpoint an almost victorious Squire five last Tuesday to the tune of 12-11.

Led by Bob Van Dulm, Bill Skelley, Dean Thomas, Hugh Harmon, Bob Hill, Bob Strong, Doug Leys, Lee Short, Lorne Carlson, Pat Sullivan, and Jim Williams, the Service Club boys took the limelight with an early lead, only to have the on-rushing Squires dash past with a swisher and foul shot, to take a three-point lead.

All of a sudden a tremendous round of applause shook the gym. Referee Stearns looked around to see what was coming off. SMACK. SWISH, and the Service club had a basket. Then the side gym door opened and in bounced Van Dulm, late as usual. Coaches John Mohr, Ed Abt, Lamby Cooper, and Don Whitman got their heads together and found a place for the already panting Von Dulm.

Out came Harmon. Von Dulm quickly got hold of the ball at mid-court, smiled at one of Hamilton's debs in the stands and shot. Of course, it was good. This put the Black and White boys out in front by a good margin, thus ending a memorable game.

Nine Lettermen Out for Baseball

With little chance of doing worse, but unlimited opportunities for bettering their league position of last year, Hamilton's baseball team will begin practice soon with the thirst for blood embedded in them in revenge for last year's inglorious season.

This year Hamilton will probably return to the Western League, after an absence of one year in the City League, according to Coach Stearns.

At the pitching post the Yankees should be strongest, with four lettermen, Ray Shaw, Jack Startup, Tom Hirschhorn, and Lou Levine, returning.

Making up the rest of the team will be either returning Varsity men or Bees. Bob Corey, Al Rushall, Rex Mathis, Cornell Newman, Buck High, and Jack Startup, are returning from the Varsity, while Purchase, Windstrom, Piedmonte, and Cates, among others, are up from the Bees.

Varsity Practices Under Critical Eyes

Ayes Have New Spirit
Four days of hard grueling scrimmage and getting into shape exercises find the Varsity green and brown basketball squad pitted with their age-old casaba rivals, the Hollywood Sheiks, in a game to be played on the Red's hardwood.

In so far as the Hamiltonians and the Sheiks are tied for second place, odds stand about even for both teams. The Yankees dropped their first game to the Sheiks in a thrilling contest which ended 34-29. The Yanks also lost to Fairfax in the first round. The Colonials are now at the top of the league.

Yankees Have Chance for Crown—
A win over Hollywood will put the Yankees in second place by themselves, with Hollywood in third place. Then if a victory over the Colonials prevails the Feds will find themselves tied for championship honors of the Western league. If, by some stroke of fate the Colonials are defeated by some other team the Yanks will be in undisputed first place. Figure it out for yourselves and you will find that Hamilton will get that trophy, or at least half of it.

Getting back to today's game, think first of the opposing team. The Sheiks are sparked by forward Chuck Knollmiller, the team's high scorer, who has been playing good ball all year. Guard, Art Evans has also been displaying good ability and does more than his share of scoring. Playing the other forward is Luke Hinman, one of those players who gets hot once in a while and really does a good job of it. Battling it out with Hannum for that tipoff will be center Dick Memmott. At the other guard spot is Brooks Graham.

Hannum All-City Material—
For the Yankees, Alex Hannum will open up at center in an attempt to keep up that all-city recognition. Nineteen points apiece for the last two games for Alex and he isn't going to stop for Hollywood. Johnny 'Dink' Mohr, ball handler supreme, will open up at guard.

At forward will be Lamby Cooper, recovering from a back injury which kept him out of the Venice game. Cleve Carlson will be at the other forward. Cleve is expected to open up one of these days and it may be today. Capable substitutes in Seymour Rosman, Dick Munson, Eddie Abt, and Rex Eagan may prove too much for the Sheiks.

As far as defense goes, Hollywood has always used a man-to-man type and will probably use it against the Yanks. Coach Stearns plans to open up with a man-to-man also, although developments during the game may cause him to change to a zone defense.

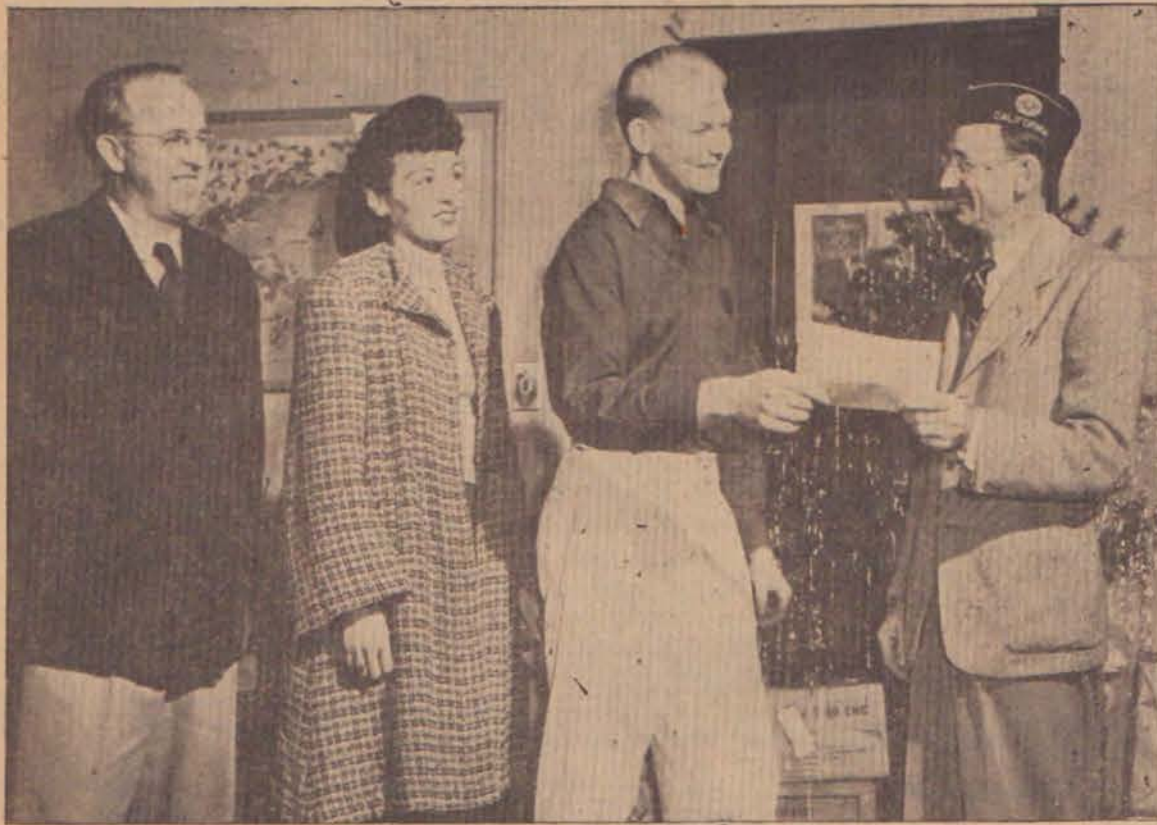

HAMILTON'S VARSITY BASKETBALL squad is shown here. Front row, from left to right, are: Coach I. C. Stearns, Lawrence Cooper, Cleve Carlson, Alex Hannum, Roger Woods, John Mohr, Eddie Abt, and John Geddes, manager. Left to right, top row, are: Rex Eagan, Ed Casebier, Dick Munson, Seymour Roseman, Frank Jones, Gil Amelio.

Bob Winship Is Elected Captain

Bob Winship was honored at the annual football banquet last Wednesday by being named captain of the 1941 football squad. Bob played outstanding ball all year by sparking the team to its few victories by virtue of his ability to pick that apple out of nowhere and complete a pass. His running ability was truly unique and he would have done more if he had more blocking help. He also holds a position on the all opponent team elected by Venice.

Another presentation was made to Coach Bernie Donahue for his excellent guidance. On behalf of the team Al Rushall presented Coach Donahue with a silk robe. The coach then made a speech on the continuation of football in college followed by talks by Taylor M. Joyner, vice-principal, and Walker Brown, principal.

DEAN PETERSON, president of the Jr. Coordinating Council, hands Bill Yeahrling, of the American Legion Christmas Committee, a check for \$150.

Walker Brown, principal, and Evelyn Pearson look on. The money was in addition to Christmas baskets for over 60 needy families. (Star-News Photo.)

Reveille

By IRWIN GINGOLD

ONCE AGAIN WE feel like our old selves, or half of us anyhow, for, behold, the armory is bristling with armament, as before. Because only 58 rifles have been shipped to us, the best company each month will be privileged to use the guns. There you have an added incentive to beat the other fellow, so get busy. An orchid to Messrs. Schafer and Calahan who helped the Sarge clean and assemble the rifles.

with a flat tire, and still come out of it alive and in one piece, think what he could do with a tank or a plane. Come to think of it, maybe he was asleep at the time and didn't know what he was doing. Who knows, we had our eyes closed!

P.-T.A. CORNER

By HELEN E. ADAMS

Dear Parents and Teachers: May this be a Happy and Victorious '42!

Mrs. Parham Hunstock, your president, with Walker Brown, principal, and Miss Margaret L. Smith, and Taylor Joyner, vice-principals, were the hospitality committee on Thursday to welcome the Tenth District P.-T.A. members, as they held their January meeting in Waidelich hall.

Your executive board is scheduled for 1:30 p.m., Jan. 20; regular business, the same day at 2:30 p.m.

The year is young, the news scarce; so may you all have contented minds until next Friday.

Sweater Men—

The very ambitious Grenadiers have set their sights on sweaters and are trying awfully hard to agree on a decent pair of colors and an emblem. Nothing is definite but opinion seems to favor scarlet and grey. Very handsome.

A NEW ADDITION to the armored force of the R.O.T.C. is the 3-ton light tank, camouflaged as a '29 Club Coupe Buick, brought in from the junk pile by R. Clinton Macy Jr. It runs, though, and sticks to the road like glue, which is more than some cars will do, says R. C.

A Hunting We Will Go—

Elmer Gutsch would make an excellent tank driver we think after the thrilling demonstration he gave us New Year's day on the icy roads at Lancaster and the Ridge Route. If he can make a car go in four directions at once, drive sideways

CLASS BOOK SLATED TO BE DISTRIBUTED JAN. 23

El Libro de los Caballeros, the year book of the class of Winter '42, is slated to come off the press January 23.

El Libro de los Caballeros, which, translated means "the Book of the Caballeros," is patterned after the "Buccaneers Log," published by the W '41 class. It will contain individual pictures of all the Senior Ayes, class pictures of the Senior Bees; photos of the G.A.A., the principals and the various student government heads. In addition, snapshots of all different athletic events of the season, such as the football team in action, and the basketball team. To add variety there will be numerous sketches and drawings scattered throughout the book.

Bob Hill, editor of El Libro, states:

"The members of the staff, with the guiding help of our sponsor, Warren Miller, have put forth our best efforts to give you the finest year book yet."

Orchid to You?

This week's orchid goes to DICK STOEFFEL, stage manager. Dick has served Hamilton efficiently in many ways. He has been a member of the stage crew for four years, and is a member of the supporting crew for the Senior play this semester, for the third time.

Dick also has aided with equipment for school dances, school athletic events, and calls, P.-T.A., Rotary, Lions, American Legion, Holy Rosary, and the Culver City Chamber of Commerce. He has freely given up his lunch periods, for the second semester, to put on the A.H.S. radio program. He also is a member of the R.O.T.C.

If Dick will come to room 114 today, period 5, he will receive a card, which may be exchanged at Sada's for his orchid.

P.-T.A. Entertained

(Continued from Page One)

Several health demonstrations were presented by the girls of Mrs. Ruth Fitzgerald's girls' corrective classes. Also the school orchestra rendered several musical numbers and the girls' trio, consisting of Barbara Beeson, Pat Pacquet, and Lorraine Hoven, sang "Trees," and "Speak to Me of Love."

Hamilton's girl service organization, the Alpha D's, officiated at the meeting.
